The Applicant respectfully traverse the Examiner's rejections. However, in order to place this Application in condition for allowance, the Applicant has cancelled some claims and amended the remaining claims to incorporate the allowable subject matter of Claims 5 - 7, 11 -

13, 17 - 19, 23 - 25, 28, and 30. The Applicant reserves the right to continue prosecuting the subject matter of the rejected claims in a continuation application to be filed at a later date.

The claim set has been amended in order to incorporate the allowable subject matter of Claims 5 - 7, 11 - 13, 17 - 19, 23 - 25, 28, and 30 into the pending claims and to eliminate redundancies.

Claim 5 has been amended to incorporate the subject matter of Claims 1 and 2. However, the subject matter of Claim 4 has been omitted because the Applicants believe that this subject matter is more appropriate as a dependency of Claim 5. (See Claim 10.)

Rejected Claim 8 has been amended to be dependent upon Claim 5, hence, rejected Claim 8 should now be allowable.

Rejected Claim 9 has been amended to depend on allowable Claim 8, and should now be allowable.

Rejected Claim 10 has been amended to depend on allowable Claim 8, and should now be allowable.

Allowable Claim 11 has been cancelled as being redundant in light of allowable Claim 5.

Rejected Claim 14 has been amended to be dependent upon Claim 5, hence, rejected Claim 14 should now be allowable.

Rejected Claim 15 has been amended to claim a stutter number and is dependent on Claim 14, which depends on Claim 5. Hence, Claim 15 should now be allowable.

Rejected Claim 16 is dependent on Claim 14, which depends on Claim 5. Hence Claim 16 should now allowable. Claim 16 has been amended to delete the unnecessary wordage "the step of".

Allowable Claims 17 - 19 have been cancelled as being redundant in light of allowable Claims 5 - 7.
